I want to have more projects and more speech the infomation about layout principles and rules. I felt that class isn't hearing level.

I admire Max, he is a great teacher with great ideas and all that. However, sometimes he explains over and over again and we already got it. Sometimes that makes other students to lose motivation. I suggest maybe he should TRY to give us time to do our work during class so he can give one on one feedback and all that. Also, sometimes students doesn't want to be up there in front of class and show her/his work. Maybe he should try to encourage but at the same time not to make us go up there if we are not feeling comfortable doing it so. Overall he is a GREAT, and BRILLIANT teacher, seriously. :]

Mr. Max did well with his planning ahead of time, his style of signing is getting better. Lastly, he was eager to explain letter-to-letter, word-for-word, and sentences-to-sentences in very good detailed lecture sessions. Great work, Max. Keep up with fluent ASLer..   He did well, considering his background in Art field is very strong. He will beat the barriers. (ASL). I am impressed with his heavy knowledge in Graphic Arts. There was no pauses, he is strarightforward instructor.   Great work, Max.
