I just want to say that the WAB building should give permission to extend the stay hours there for projects because Art major has a lot of projects to work with movies, animation, and others courses in ART. We need the computer to do it.

The instructor was good and flexible. Unfortunately, I wasted my money and time that I bought books from his syllabus required and have NEVER read NOR discussed!! my invest time was wasted while the class didn't handle well due to not attention to the instructor. He has enthusiastic to encourage students.
